Collaboration among competing vendors about potential proposals submitted pursuant to this RFP is prohibited and may disqualify the vendor.
- 9.15 No attempt may be made at any time to induce any firm or person to refrain from submitting a proposal or to submit any intentionally high or noncompetitive proposal. All proposals must be made in good faith and without collusion.
- 9.16 Prices offered by vendors in their proposals are an irrevocable offer for the term of the contract and any contract extensions. The awarded vendor agrees to provide the purchased services at the costs, rates and fees as set forth in their proposal in response to this RFP. No other costs, rates or fees shall be payable to the awarded vendor for implementation of their proposal.
- 9.17 The State is not liable for any costs incurred by vendors prior to entering into a formal contract. Costs of developing the proposals or any other such expenses incurred by the vendor in responding to the RFP, are entirely the responsibility of the vendor, and shall not be reimbursed in any manner by the State.
- 9.18 All proposals submitted become the property of the State and will be returned only at the State's option and at the vendor's request and expense. The master copy of each proposal shall be retained for official files and will become public record after the award of a contract. Only specific parts of the proposal may be labeled a "trade secret", provided that the vendor agrees to defend and indemnify the State for honoring such a designation (NRS §333.333). The failure to so label any information that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the information.
- 9.19 A proposal submitted in response to this RFP must identify any subcontractors, and outline the contractual relationship between the awarded vendor and each subcontractor. An official of each proposed subcontractor must sign, and include as part of the proposal submitted in response to this RFP, a statement to the effect that the subcontractor has read and will agree to abide by the awarded vendor's obligations.
- 9.20 The awarded vendor will be the sole point of contract responsibility. The State will look solely to the awarded vendor for the performance of all contractual obligations which may result from an award based on this RFP, and the awarded vendor shall not be relieved for the non-performance of any or all subcontractors.
- 9.21 The awarded vendor must maintain, for the duration of its contract, insurance coverages as set forth in the Insurance Schedule of the contract form appended to this RFP. Work on the contract shall not begin until after the awarded vendor has submitted acceptable evidence of the required insurance coverages. Failure to maintain any required insurance

coverage or acceptable alternative method of insurance will be deemed a breach of contract.

Notwithstanding any other requirement of this section, the State reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies required by the above-stated Insurance Schedule. It will be the awarded vendor's responsibility to recommend to the State alternative methods of insuring the contract. Any alternatives proposed by a vendor should be accompanied by a detailed explanation regarding the vendor's inability to obtain insurance coverage as described above. The State shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

- 9.22 Each vendor must disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this RFP. Any such relationship that might be perceived or represented as a conflict should be disclosed. By submitting a proposal in response to this RFP, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest will automatically result in the disqualification of a vendor's proposal. An award will not be made where a conflict of interest exists. The State will determine whether a conflict of interest exists and whether it may reflect negatively on the State's selection of a vendor. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.
- 9.23 The State will not be liable for Federal, State, or Local excise taxes.
- 9.24 Execution of Attachment A of this RFP shall constitute an agreement to all terms and conditions specified in the RFP, including, without limitation, the Attachment B contract form and all terms and conditions therein, except such terms and conditions that the vendor expressly excludes. Exceptions will be taken into consideration as part of the evaluation process.
- 9.25 The State reserves the right to negotiate final contract terms with any vendor selected NAC §333.170. The contract between the parties will consist of the RFP together with any modifications thereto, and the awarded vendor's proposal, together with any modifications and clarifications thereto that are submitted at the request of the State during the evaluation and negotiation process. In the event of any conflict or contradiction between or among these documents, the documents shall control in the following order of precedence: the final executed contract, the RFP, any modifications and clarifications to the awarded vendor's proposal, and the awarded vendor's proposal. Specific exceptions to this general rule may be noted in the final executed contract.
- 9.26 Vendor understands and acknowledges that the representations above are material and important, and will be relied on by the State in evaluation of the proposal. Any vendor misrepresentation shall be treated as fraudulent concealment from the State of the true facts relating to the proposal.

- 9.27 No announcement concerning the award of a contract as a result of this RFP can be made without the prior written approval of the State.
- 9.28 The Nevada Attorney General will not render any type of legal opinion regarding this transaction.
- 9.29 Any unsuccessful vendor may file an appeal in strict compliance with NRS 333.370 and chapter 333 of the Nevada Administrative Code.
- 9.30 Local governments (as defined in NRS §332.015) are intended third party beneficiaries of any contract resulting from this RFP and any local government may join or use any contract resulting from this RFP subject to all terms and conditions thereof pursuant to NRS §332.195. The State is not liable for the obligations of any local government which joins or uses any contract resulting from this RFP.
- 9.31 Any person who requests or receives a Federal contract, grant, loan or cooperative agreement shall file with the using agency a certification that the person making the declaration has not made, and will not make, any payment prohibited by subsection (a) of 31 U.S.C. §1352.

### **CONTRACT FORM SAMPLE**

The following State Contract Form is provided as a courtesy to vendors interested in responding to this RFP. Please review the terms and conditions in this form, as this is the standard contract used by the State for all services of independent contractors. **Please pay particular attention to the insurance requirements, as specified in paragraph 16.**

As with all other requirements of this RFP, vendors may take exception to any of the terms in the Contract Form, including the required insurance limits. Exceptions will be considered during the evaluation process. It is not necessary for vendors to complete the Contract Form with their proposal responses.

**CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR**

A Contract Between the State of Nevada  
Acting By and Through Its  
Department of Corrections  
1721 Snyder Ave. Carson City, NV 89701

and

(NAME, ADDRESS, PHONE, FACSIMILE NUMBER FEDERAL I.D. NUMBER OF INDEPENDENT CONTRACTOR)

WHEREAS, NRS 284.173 authorizes elective officers, heads of departments, boards, commissions or institutions to engage, subject to the approval of the Board of Examiners, services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor are both necessary and in the best interests of the State of Nevada;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. **REQUIRED APPROVAL.** This Contract shall not become effective until and unless approved by the Nevada State Board of Examiners.

2. **DEFINITIONS.** "State" means the State of Nevada and any state agency identified herein, its officers, employees and immune contractors as defined in NRS §41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.

3. **CONTRACT TERM.** This Contract shall be effective from \_\_\_\_\_ subject to Board of Examiners' approval (anticipated to be \_\_\_\_\_) to \_\_\_\_\_, unless sooner terminated by either party as specified in paragraph (9).

4. **NOTICE.** Unless otherwise specified, termination shall not be effective until \_\_\_\_\_ calendar days after a party has served written notice of default, or without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.

5. **INCORPORATED DOCUMENTS.** The parties agree that the scope of work shall be specifically described; this Contract incorporates the following attachments in descending order of constructive precedence; a Contractor's Attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract:

ATTACHMENT AA: STATE SOLICITATION (RFP # \_\_\_\_\_) and ATTACHMENTS #1, ETC.;  
SCOPE OF WORK

ATTACHMENT BB: CONTRACTOR'S RESPONSE

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in paragraph (5) at a cost of \$ \_\_\_\_\_ per \_\_\_\_\_ (state the exact cost or hourly, daily, or weekly rate exclusive of travel or per diem expenses) with the total Contract or installments payable: \_\_\_\_\_, not to exceed \$ \_\_\_\_\_. The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of legislative appropriation may require.

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. **TIMELINESS OF BILLING SUBMISSION.** The parties agree that timeliness of billing is of the essence to the contract and recognize that the State is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the State no later than the first Friday in August of the same year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed \$100.00. The parties hereby agree this is a reasonable estimate of the additional costs to the State of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

9. INSPECTION & AUDIT.

- a. Books and Records. Contractor agrees to keep and maintain under general accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.
- b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant state agency or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.
- c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three years and for five years if any federal funds are used in the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

- a. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.
- b. State Termination for Nonappropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:
  - i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
  - ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
  - iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
  - iv. If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
  - v. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
  - vi. If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph (4), and the subsequent failure of the defaulting party within 15 calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.
- e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:
  - i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
  - ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
  - iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
  - iv. Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with paragraph (21).

11. **REMEDIES.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190.

12. **LIMITED LIABILITY.** The State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed 150% of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. **FORCE MAJEURE.** Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. **INDEMNIFICATION.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. **INDEPENDENT CONTRACTOR.** Contractor is associated with the State only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the State whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the State shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the State; (4) participation or contributions by either Contractor or the State to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, or representatives shall be considered employees, agents, or representatives of the State. The State and Contractor shall evaluate the nature of services and term negotiated in order to determine "independent contractor" status and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

- 1) Contractor has provided the required evidence of insurance to the Contracting Agency of the State, and
- 2) The State has approved the insurance policies provided by the Contractor.

Prior approval of the insurance policies by the State shall be a condition precedent to any payment of consideration under this Contract and the State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Neither approval by the State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its subcontractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under this Contract or otherwise. The State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

**Mail all required insurance documents to the Contracting Agency identified on page one of the contract.**

17. COMPLIANCE WITH LEGAL OBLIGATIONS. 18. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the nonenforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations or duties under this Contract without the prior written consent of the State.

21. STATE OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the State and all such materials shall be delivered into State possession by Contractor upon completion, termination, or cancellation of this Contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this Contract without the prior written consent of the State. Notwithstanding the foregoing, the State shall have no proprietary interest in any materials licensed for use by the State that are subject to patent, trademark or copyright protection.

22. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

23. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this Contract.

24. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this Contract:

- a. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.
- b. Contractor and its subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.
- c. Contractor and its subcontractors shall comply with the requirements of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not discriminate against any employee or offeror for employment because of race, national origin, creed, color, sex, religion, age, disability or handicap condition (including AIDS and AIDS-related conditions.)

25. LOBBYING. The parties agree, whether expressly prohibited by federal, State or local law, or otherwise, that no funding associated with this contract will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

- a. Any federal, state, county or local agency, legislature, commission, counsel or board;
- b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or
- c. Any officer or employee of any federal, state, county or local agency; legislature, commission, counsel or board.

26. WARRANTIES.

- a. General Warranty. Contractor warrants that all services, deliverables, and/or work product under this Contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.

b. System Compliance. Contractor warrants that any information system application(s) shall not experience abnormally ending and/or invalid and/or incorrect results from the application(s) in the operating and testing of the business of the State. This warranty includes, without limitation, century recognition, calculations that accommodate same century and multcentury formulas and data values and date data interface values that reflect the century. Pursuant to NRS 41.0321, the State is immune from liability due to any failure of any incorrect date being produced, calculated or generated by a computer or other information system.

27. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. Contractor acknowledges that as required by statute or regulation this Contract is effective only after approval by the State Board of Examiners and only for the period of time specified in the Contract. Any services performed by Contractor before this Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor.

28. GOVERNING LAW; JURISDICTION. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-interest that would require the application of the law of any other jurisdiction. Contractor consents to the jurisdiction of the Nevada district courts for enforcement of this Contract.

29. ENTIRE CONTRACT AND MODIFICATION. This Contract and its integrated attachment(s) constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be construed consistent with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto and approved by the Office of the Attorney General and the State Board of Examiners.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be signed and intend to be legally bound thereby.

### **Program for Treatment of Certain Offenders Imprisoned for Driving Under Influence of Intoxicating Liquor or Controlled Substance**

#### **NRS 209.425 Establishment of program; program to include rehabilitation, education and counseling; assignment of wages.**

1. The Director shall, with the approval of the Board, establish a program for the treatment of an abuser of alcohol or drugs who is imprisoned pursuant to paragraph (c) of subsection 1 of NRS 484.3792 or NRS 484.3795. The program must include an initial period of intensive mental and physical rehabilitation in a facility of the Department, followed by regular sessions of education, counseling and any other necessary or desirable treatment.

2. The Director may, upon the request of the offender after the initial period of rehabilitation, allow the offender to earn wages under any other program established by the Department if the offender assigns to the Department any wages he earns under such a program. The Director may deduct from the wages of the offender an amount determined by the Director, with the approval of the Board, to:

(a) Offset the costs, as reflected in the budget of the Department, to maintain the offender in a facility or institution of the Department and in the program of treatment established pursuant to this section; and

(b) Meet any existing obligation of the offender for the support of his family or restitution to any victim of his crime.

(Added to NRS by 1991, 778)

#### **NRS 209.427 Assignment of offender to program; withdrawal of offender from program.**

1. If the results of an evaluation conducted pursuant to NRS 484.3796 indicate that an offender is an abuser of alcohol or drugs and that he can be treated successfully for his condition, the Director shall, except as otherwise provided in this section, assign the offender to the program of treatment established pursuant to NRS 209.425. Such an assignment must be, to the extent that the period reasonably can be predicted, for the year, or as much thereof as practicable, immediately preceding the date the offender is due to be released from prison, either on parole or at the expiration of his term.

2. Before assigning an offender to a program of treatment, the Director, in cooperation with the Division of Parole and Probation of the Department of Public Safety, shall determine, to the extent possible:

(a) The length of time remaining on the offender's sentence, taking into consideration any credits earned by the offender; and

(b) The likelihood that the offender will complete the entire program of treatment.

3. The Director shall when assigning offenders to the program, to the extent possible, give preference to those offenders who appear to the Director capable of successfully completing the entire program.

4. The Director is not required to assign an offender to the program of treatment if the offender is not eligible for assignment to an institution or facility of minimum security pursuant to the provisions of NRS 209.481 and the regulations adopted pursuant thereto.

5. The Director may withdraw the offender from the program of treatment at any time if he determines that the offender:

(a) Is not responding satisfactorily to the program; or

(b) Has failed or refused to comply with any term or condition of the program.

6. As used in this section, "entire program" means both phases of the program established pursuant to NRS 209.425, for offenders who have not been released from prison, and NRS 209.429, for offenders who have been assigned to the custody of the Division of Parole and Probation of the Department of Public Safety.

(Added to NRS by 1991, 778; A 1995, 957; 2001, 2586)

#### **NRS 209.429 Director to assign offender to serve term of residential confinement under certain circumstances; offender who fails to complete program or who violates terms or conditions of residential confinement forfeits credits earned to reduce sentence.**

1. Except as otherwise provided in subsection 6, the Director shall assign an offender to the custody of the Division of Parole and Probation of the Department of Public Safety to serve a term of residential confinement, pursuant to NRS 213.380, for not longer than the remainder of the maximum term of his sentence if:

(a) The offender has:

(1) Established a position of employment in the community;

(2) Enrolled in a program for education or rehabilitation; or

(3) Demonstrated an ability to pay for all or part of the costs of his confinement and to meet any existing obligation for restitution to any victim of his crime;

(b) The offender has successfully completed the initial period of treatment required under the program of treatment established pursuant to NRS 209.425; and

(c) The Director believes that the offender will be able to:

(1) Comply with the terms and conditions required under residential confinement; and

(2) Complete successfully the remainder of the program of treatment while under residential confinement.

➤ If an offender assigned to the program of treatment pursuant to NRS 209.427 completes the initial phase of the program and thereafter refuses to enter the remainder of the program of treatment pursuant to this section, the offender forfeits all or part of the credits earned by him to reduce his sentence pursuant to this chapter before this refusal, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons, as he considers proper. The decision of the director regarding such forfeiture is final.

2. Before a person may be assigned to serve a term of residential confinement pursuant to this section, he must submit to the Division of Parole and Probation a signed document stating that:

(a) He will comply with the terms or conditions of his residential confinement; and

(b) If he fails to comply with the terms or conditions of his residential confinement and is taken into custody outside of this state, he waives all his rights relating to extradition proceedings.

3. If an offender assigned to the custody of the Division of Parole and Probation pursuant to this section escapes or violates any of the terms or conditions of his residential confinement:

(a) The Division of Parole and Probation may, pursuant to the procedure set forth in NRS 213.410, return the offender to the custody of the Department.

(b) The offender forfeits all or part of the credits earned by him to reduce his sentence pursuant to this chapter before the escape or violation, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons, as he considers proper. The decision of the Director regarding forfeiture of credits is final.

4. The assignment of an offender to the custody of the Division of Parole and Probation pursuant to this section shall be deemed:

(a) A continuation of his imprisonment and not a release on parole; and

(b) For the purposes of NRS 209.341, an assignment to a facility of the Department,

➤ except that the offender is not entitled to obtain any benefits or to participate in any programs provided to offenders in the custody of the Department.

5. A person does not have a right to be assigned to the custody of the Division of Parole and Probation pursuant to this section, or to remain in that custody after such an assignment, and it is not intended that the provisions of this section or of NRS 213.371 to 213.410, inclusive, create any right or interest in liberty or property or establish a basis for any cause of action against the State, its political subdivisions, agencies, boards, commissions, departments, officers or employees.

6. The Director shall not assign an offender who is serving a sentence for committing a battery which constitutes domestic violence pursuant to NRS 33.018 to the custody of the Division of Parole and Probation to serve a term of residential confinement unless the Director makes a finding that the offender is not likely to pose a threat to the victim of the battery.

(Added to NRS by 1991, 779; A 1993, 1520; 1995, 26, 958, 1253, 1334, 2388; 1997, 628, 1814; 2001, 2587; 2001 Special Session, 195; 2003, 289)
